Another Election for Keytesville VII-lage School.

The Keytesville village school board has made an order submitting to a vote of the people a proposition to increase the tax levy to 80 cents on the \$100 valuation, the amount of the levy for last year. The election will be held Saturday, May 1st. This increase is absolutely necessary in order to maintain an eight months' school. Our public school is now the boast of our citizens, and we trust the voters will reverse the verdict of April 6th. It would be a disgrace to our intelligence and public spirit to have a four months school in our district. Such action WRIGHT-JONES: -Mr. Henry Wright | would do us more lasting harm than
